EDUCATION

B.E Information & Technology

KBT College Of Engineering, MVP, Nashik

Expected Graduation - 06/2025

7 CGPA

Diploma in Computer Engineering

Guru Gobind Singh Polytechnic, Nashik

08/2019 - 06/2022

89%

S.S.C

Guru Gobind Singh High School, Nashik

2018-2019

83%

PERSONAL PROJECTS

• Smart Assistant Hand Gloves using IoT

Led a team of 4 members in the development of IoT based Smart Assistant Gloves, and simultaneously spearheaded the Android application development using Java.

• Work Force Task Monitoring System

In the Development of an Android application using JAVA programming led a team of 4 members.

• Personal Portfolio Website

Developed website of personal portfolio using HTML, CSS & JAVASCRIPT

CERTIFICATION

- Blue Prism Foundation Training.
- KLIC certificate course in Web Designing.
- KLIC certificate course in Internet of Things (IoT).
- Participated in Workshop on "IOT"
- Capable Full Stack Development.

SKILLS

C++	Java	PHP
C	MySQL	
MongoDB	HTML	CSS
JavaScript		

COURSE WORK

- Data Structures and Algorithms using Java.
- Object Oriented Programming concepts.
- Computer Networks and Security.
- Operating System Concepts.
- Web Development.
- IoT.

ACHIEVEMENTS

- Participated in First International Conference on "Recent Trends in Engineering Science, Technology and Management (IC-RTETM-2022)"
Presented paper entitled "Review on Women Safety System"
- Patent Title: IoT based Smart Hand Gloves
Application Number- 202221014757, Journal Number 35/2022, Journal Date: 02/09/2022, Page no-54873
Developed innovative IoT gloves and an Android application for users, improving communication for disabled people. This patent showcases a significant advancement in assistive technologies.

POSITION OF RESPONSIBILITY

- Vice- President in Rotaract Club Of GGSP
2021-22
- volunteer at ISTE Indian Society Of Technical education
2021-22
- Member at Avinya By E-CELL of MVP's, KBTCE.
2022-23
